ABOUT US:

We, Kaarvi Nutraceuticals & Foods Pvt Ltd, a young and dynamic venture formed to make eating real food as simple as it can be. As our tagline says, our goal is to provide 'HEALTHY HARVEST', to keep our consumers' life risk-free from ingesting harmful chemicals.

We are manufacturer of Freeze-Dried Products Fruits, Vegetables, Herbs, Sprouts, Spices, Ready to Eat products, and almost all types of food products. With our state of art production facility design, quality assurance and reliability you can trust us as your reliable supplier in this segment.

FREEZE-DRIED FRUITS & VEGETABLES:

With the ever increasing awareness for "**preservatives and additives free**" food products, Freeze Dried products are gaining huge acceptance and popularity in the market.

Freeze drying technology is widely used in products such as seasonal vegetables, tropical fruit/juices (ripe/unripe), herbals/herbal extracts/aromatic herbs, spices, sprouts, flowers/flower petals, dairy products, and many more even in prepared whole meals.
